5	Representative Lewis, would you be kind	5	one that will be reviewed today because we just

8	Members, good afternoon. Yesterday, this	8	individual. So this is the map we're going to be

12	While I am happy to take questions from the	12	General Assembly for its special session for

1	SEN. McKISSICK: I was wondering if I	1	statistics that you have.

3	percentages of Democrats and Republicans in these	3	SEN. McKISSICK: Thank you. And I wanted
4	various districts. If we can have, perhaps, a	4	to follow up.
5	staff person review that with us.	5	CHAIRMAN RUCHO: Follow-up question, yes,
6	CHAIRMAN RUCHO: So let me let me be	6	sir.
7	clear. Now, you want the	7	SEN. McKISSICK: Precisely look at the
8	First of all, Representative Lewis,	8	performance characteristics of each district in
9	that's not part of the stat pack, correct?	9	terms of whether it's a Democratic performance
10	SEN. McKISSICK: We don't have a stat	10	district, and if so, by what percentage, a
11	pack. The only thing we have are	11	Republican performance district, so that we have
12	CHAIRMAN RUCHO: The election results.	12	some idea the extent to which there are
13	All right. What would you request?	13	competitive swing districts.
14	SEN. McKISSICK: Well, what I would like	14	I know Representative Lewis has indicated
15	to know is what the breakdown is in terms of	15	that the map may not be quite as favorable as it
16	Democrat, Republican, and unaffiliated voters in	16	was before to Republican majority. But to the
17	each of these particular districts, as a starting	17	extent to which we could get data that
18	point. It would also be helpful to understand	18	specifically breaks down the performance
19	I know there was who exactly is double-bumped.	19	characteristics of each of these Congressional
20 21	It would appear that Representative Adams, who	20 21	districts, that would be helpful. Then we can
22	represented the 12th District	22	understand what we're looking at.
23	CHAIRMAN RUCHO: Well, hold it. Let's	23	REP. LEWIS: Mr. Chairman and Members?
24	let's get first that first part cleared up.	24	CHAIRMAN RUCHO: Yes. Representative
25	First of all, you requested Senator McKissick requested that we get	25	Lewis. REP. LEWIS: Members, if I could direct

2	the districts. Is that something we can achieve,	2	before you I probably should have done a better
3	either now or	3	job of going through that.
4	MS. CHURCHILL: It is something we cannot	4	If you will, first of all, you should
5	achieve while the committee is in meeting.	5	have a document before you that's entitled "2016
6	CHAIRMAN RUCHO: Right. Okay. Just	6	Redistricting Database Field Key." It's an 8-1/2

8	MS. CHURCHILL: At this juncture we can't	8	Does everyone see that or have access to
9	achieve it while the committee is meeting. But we	9	that document?
10	can achieve that for Senator McKissick.	10	If you'll look at that document, it
11 12	SEN. McKISSICK: Okay. And the	11	will actually, if you'll look at the right-hand
13	committee	13	column, the right-hand column of that document,
14	REP. LEWIS: Mr. Chairman?	14	this is a computer code. This is the way the
15	CHAIRMAN RUCHO: Yes, sir.	15	computer generated the election results which we looked at.
16	REP. LEWIS: Could I speak to that one point?	16	For instance, you'll see under "2008
17	CHAIRMAN RUCHO: Representative Lewis.	17	General Election Attorney General," there's a code
18	REP. LEWIS: Yes, sir.	18	there at the right-hand column. Again, I direct
19	Obviously, the staff can provide to the	19	your attention, EL08G_AG_D. You can take and find
20	gentleman whatever statistics he asked for. I did	20	that same code on the stat pack that was
21	want to say that the in the drawing of this	21	distributed to you. And, in fact, it would be on
22	map, we looked at election results. We think	22	what I would consider page 2 of the stat pack. If
23	those are better indicators of voting performance	23	you'll look across the top I'm referring now to
24	than voter registration, which is why you don't	24	the big to the big set of documents that you
25	which is why that's not shown in these in the	25	have. You'll see it says, "Election Results 2008,

2	and find "EL08G_AG."	2	REP. LEWIS: Mr. Chairman, if I may.
3	For example, the very first listed item	3	CHAIRMAN RUCHO: Yes. Representative
4	on this page I'm referring to, you'll see it says,	4	Lewis, you have
5	District 1 excuse me, it says "district," and	5	REP. LEWIS: I just want to say that I
6	then beside it, "EL08G_AG_D." That would be the	6	completely agree with Senator McKissick, that
7	results in District 1 for the candidate Roy Cooper	7	would be a whole lot easier way to look at these
8	who was the Democratic nominee for the Attorney	8	reports. I asked for that to be done. And it's
9	General's office.	9	not the way, unfortunately, the system generates
10	So to maybe make this easier, perhaps you	10	the reports. But if you would indulge me for just
11	could write the word "Cooper" where it says	11	a moment, I'm going to get my notes and we'll go
12	"EL08G_AG_D." And using these two documents, you	12	sheet by sheet, and we'll add those names, if you
13	will be able to see what the election results are.	13	would be so kind.
14	I believe it would be fair to say and,	14	SEN. McKISSICK: I would certainly
15	Mr. Chairman, the staff can certainly correct	15	indulge you, without a doubt. I think that would
16	me that the as you look at the code, the	16	be a helpful exercise for all of us who are not
17	EL08G_AG, that, obviously, is Attorney General.	17	acquainted with this and haven't seen it before.
18	And then the "_D" would be Democrat.	18	CHAIRMAN RUCHO: Representative Lewis,
19	So while the field key will explain	19	would you
20	exactly who it is referring to, you can probably	20	And, Members of the Committee, please take
21	get a good feeling for if it's comparing the	21	note as Representative Lewis explains what each of
22	Democrat for that office or the Republican for	22	the AG, CI, and the like is, based on the year of
23	that office.	23	the election.
24	CHAIRMAN RUCHO: Okay. And just a	24	Okay. Representative Lewis, you have the
25	clarity, Senator McKissick, before you go on to	25	microphone.
